

# COLLABORATIVE DESIGN CHALLENGE WORKSHOP

[ WORDS: PRINT ON 8.5 x 11" PAPER ]

## ABSTRACT

ability act action activity addition amount attack attempt attitude back  
behavior bit blow break campaign case chance change choice condition  
connection connection crack crush cut damage danger death decoration  
defense destruction detail dominance drop duty effort fall feature fight  
front height hit hole increase increase Internet jolt jump kick kind knot  
list majority manner matter means mind operation opposite outburst part  
part personality piece place position power practice project property  
quality quiet reach report responsibility rest return rise risk seat serial set  
shake shock silence situation slice state step stop taste thing top touch  
treatment trick type use wear whole will wish art band color concert  
diversity entertainment hit image movie music note orchestra paint painting  
picture poem poetry rhythm song stage style vogue language pleasure

## COLOR

black blue brown gray green orange pink red violet white yellow

## ADJECTIVE

acid after ago all any automatic available bitter boring both bright  
broken central certain cheap chemical clear closed color common  
complete conscious cruel current dainty dangerous delicate different  
different different down dry each early easy economic economic electric  
equal even even every excellent fake false far fat fat few final financial  
firm first fixed flat following foreign former fragile free frequent fresh  
front full full further future general good industrial interesting international

last late legal light liquid local loud low lucky main major many metal  
military minute modern more much narrow national natural necessary next  
no normal off on opposite original other own parallel particular past  
personal physical political poor popular possible present previous private  
probable professional public quiet ready recent regular responsible right  
rigid rough round sad safe same second secret separate serious set  
several short silent silver simple single small smooth social solid sparse  
special specific square standard sticky straight strange stylish sudden  
sweet tall thick thin tight true ugly under unusual used useful usual usual  
various awesome warm wet whole wide amazing colorful terrific terrible

## ADJECTIVE-BASIC

another bad basic beautiful best better big clean cold correct dark  
deep difficult dirty fast good great great happy healthy heavy high hot  
important left light little long near new nice open real right sharp similar  
slow soft strong weak wrong

## ADJECTIVE-PEOPLE

able alive alone angry awake dead female free friendly healthy human  
hungry ill impatient intelligent just kind male male married mean medical  
old patient poor private rich royal sad sharp silly sincere single skillful  
stupid subject successful thirsty tired unemployed violent wise young

## ADVERB

about above across across again almost along already always  
approximately before before behind between beyond by clearly directly  
down early either enough entirely equally even exactly finally first forward  
here here however immediately in indeed inside instead late later least

little more mostly never not now obviously often once outside particularly  
please possibly preferably probably quickly quite really really recently  
simply slowly so sometimes soon still such suddenly surely then there  
therefore through today together tomorrow tonight too up usually very  
well why

## ANATOMY

arm back beak blood body bone brain breath cell chest chest chin ear  
eye face finger foot forehead gene hair hair hand head heart knee leg  
lip mouth muscle nail neck nerve nose skin stomach tail throat thumb  
toe tongue tooth wing

## CITY

airport bank bridge building capital castle church cinema city factory flat  
hospital hotel library museum park prison restaurant road school station  
street structure subway supermarket theater town university village tunnel  
highway area

## COMMUNICATION - CONVERSATION

announcement answer approval argument argument book call character
